

**Vision 2020 Standing Committee  
Meeting Minutes**

April 24, 2018  
7:00 PM  
Conference Call

Present: Juli Brazile, Annie LaCourt, Nat Strosberg, Amy Goldstein, Sue Doctrow, Elisabeth Carr-Jones, Scott Lever, Jen Toole

**1. Budget Discussion and Vote**

Jen provided some background on the graphic designer who is interested in the logo project and we agreed on the wording that describes the details for the project. We are hoping for some drafts by our next meeting on May 8<sup>th</sup>.

The following requests were approved:

\$900 for designer for new Envision Arlington logo

\$320 for Sustainable Arlington signage for EcoFest

\$300.70 for printing handouts for both Candidate Night and Meeting for All Precincts

Juli reported that the request from Diversity has been withdrawn. As soon as we have a new logo, we will need to make plans to purchase banners for Town Day and other items for public events.

**2. New Business**

Scott provided a brief update on the Education Task Group. They have formed a small steering committee and are using their meetings to hear from people who have begun organizing around issues of concern to them. Not all of them may want to be part of the Education Task Group, but it's good to provide a place for people to come with their concerns.

Juli noted that the Diversity Task Group has a new chair and so she will organize a small meeting to provide some orientation to the new people in both Education and Diversity.

Meeting/Call adjourned at 7:26 pm.
